guess that means that you are just too beautiful for words

A tempo - Slow 4

seen this life from high and low, and all that's in between

danced with dukes, crooned with counts, been courted like a queen

when I see what's in your heart, all the past is blurred
grace you bring into this world’s too beautiful for words

hide your head under your wings just like a little bird

Oh don’t you know you’re beautiful, too beautiful for words

Oo, Celie, you’re too beautiful for words
